PUBLIC MEETING

Greater London Assembly (GLA) member for Havering & Redbridge, Keith Prince has organised a local meeting at 7pm on Tuesday 12th February at the Conservative Club at 25 North St, Hornchurch. Keith's role in the GLA is to hold Mayor Sadiq Khan to account on vital topics like Policing and Transport.

Come and find out what Keith does on your behalf and share any concerns you may have about your area in a live Q&A session.

NEW YOUNG CONSERVATIVES GROUP

We absolutely realise the importance of young people in politics. It is you that will shape the future of the area and indeed the Borough of Havering as a whole, and would welcome your involvement with our Association.

Our Young Conservatives are forming a new group.

The first event will be **Pizza with our local MP, Julia Lopez** on the 22nd November, followed by **Drinks on the 15th December**. Other political and social events will follow.

If you want to have your say and feel that you could have an impact on local or national issues, please contact Ben Sewall, Anastasia Ravenall or Grant MacMaster at:

LOCAL MAN FOR LONDON MAYOR

Local resident, Shaun Bailey has been selected as the Conservative candidate for Mayor of London in 2020.

He will go head to head against Labour's Sadiq Khan. Shaun is passionate about London, and we can count on him to provide the best that he can for our borough.

We will bring you more information about his policies, and what they will mean for YOU next year.

BUDGET BONUS FOR UPMINSTER

We all know that the Budget is providing £20 billion more each year for the NHS. But we also got:

- A 33% reduction in rates for small business. Great for our high street.
- An extra £1.7m for Havering to improve social care for older people, those with disabilities, and children
- An additional £895,000 for pothole and resurfacing work on Havering's roads.

ACTION ON CRIME

Local Action Team Member, Sue Connew has followed up on an attempted raid on a local shop with Councillor Bob Perry, who is assisting the owners. He has also been working to ensure that a group of aggressive beggars are moved from their habitual pitches.

Like many Londoners, I was shocked to learn that the opening of the central section of Crossrail has been delayed by 9 months, to Autumn of next year. At no time was this flagged up in advance.

This is disastrous for commuters and businesses who have made plans around the original opening time. The bombshell will add to the black hole in TfL's finances, which already amounts to around £1billion.

This is yet another example of Labour's Mayor Sadiq Khan's mismanagement, that we will all have to pay for.

If you would like to sign up for my email update on this and other topics, or to visit city hall for a tour, please email me at Keith.Prince@London.gov.uk.

LOCAL NEWS IN BRIEF

New Lower Thames Crossing. The government plans to build a new river crossing beyond Dartford to relieve traffic on the bridge and cut journey times. To learn more, visit: www.lowerthamescrossing.co.uk/haveyoursay

Gallows Corner. We have campaigned to get this improved for a long while, but Transport for London would not pay for it, - proof that Labour don't care about outer London boroughs like us.

But after Local MP Julia Lopez, and GLA Member Keith Prince, raised the matter with the Transport Secretary, Chris Grayling, the government has made tens of millions of pounds available, to the Mayor if he can put together a credible business case.

Request for more Police. Councillor Bob Perry, Chairman of the Crime & Disorder sub committee, has approached the Borough Commander to ask for an increased Police presence in Upminster to ensure the safety of our residents. Update to follow.
