

Cranham Ward Conservatives

BACK BEN ON MAY 9TH

DELIVERED AT NO COST TO THE TAXPAYER BY YOUR LOCAL CONSERVATIVES

Ben Sewell

Dear Resident,

As you are aware there will be a By-Election on May 9th and we would like to formally introduce your Conservative Candidate Ben Sewell to you.

Ben has lived in Havering all his life. He attended St. Joseph's Primary School in Upminster, The Campion School in Hornchurch and is currently finishing his politics degree at university.

Over the last few years, Ben has been actively involved in politics in the area, specifically focussing on the issues and concerns of Cranham Ward residents. Working closely with your London Assembly Member, Keith Prince they have successfully helped residents with problems and issues within the ward. Together they make a formidable team and are fully committed to continue working on your behalf. Ben strongly believes that he could bring a fresh and determined approach to the area to help to sustain Cranham Ward for future generations.

In this election, we believe the best choice for you is to vote for Ben Sewell. As Havering Council is Conservative led he is in the best position to make your voice heard. If elected, Ben would become part of the sitting administration, putting him in a much stronger position to act on your behalf than the opposition could offer you.

"Ben says" by voting for me to be your elected representative in the town hall I will be in the best position to ensure that Cranham Ward gets its fair share of the £40 million investment that Havering Council is putting into the roads and pavements over the next two years.

As part of a number of measures in the Council's budget which will deliver improved local services across the Borough, residents have told me that they expect the Council to deliver high quality local services and ensure our neighbourhoods are clean and well maintained. If elected, I will ensure that this is carried out. Working closely with my colleagues Keith Prince AM and Julia Lopez MP I will do my level best to put more police officers on our streets, but I cannot do this alone, I need your help to put me in the town hall to ensure that you have the representation you deserve.

Only by electing me as your Conservative Councillor locally to work within the Council chamber can you be sure that Cranham Ward gets the representation that it desperately needs. To effect the changes you deserve, the choice is simple.

BEN SEWELL WORKING HARD FOR CRANHAM WARD

£40 MILLION INVESTMENT IN ROADS

Local residents across Cranham are to benefit from a huge roads and pavements investment programme within the Borough.

Ben visited recently resurfaced Hall Lane which has benefited from this record investment programme.

Terry and Anne of Hall Lane said "Thanks to Ben and the local Conservative council we are seeing record investment in our roads"

VOTE FOR A CLEANER CRANHAM ON MAY 9TH

The street cleaning frequency on residential streets throughout Cranham will be increased from once every three weeks to once every two weeks, as a result of a £400,000 investment by Havering council.

By working with the Council Ben will endeavour to ensure the Street cleaning program is closely monitored and delivers for local residents.

On May 9th, BACK BEN!

Record Investment In Roads.

More frequent street cleaning.

Improved CCTV.

Only by electing a Conservative councillor locally, to work with our Conservative council, can we be sure to get the improvements that Cranham needs.
