OCTOBER 2018

PUBLIC MEETING CALLED-SEE REVERSE FOR DETAILS

CONSERVATIVES SAVE POLICE STATION

LOCAL MAN FOR LONDON MAYOR

Local Harold Hill resident Shaun Bailey, has been selected to be the Conservative Candidate for Mayor of London.

He will go head to head against Labour's Sadiq Khan to become Mayor of London. Shaun is passionate about London and Havering in particular. Being a local man he will always strive to provide the best he can for Harold Hill.

Please show your support for Shaun by voting **Bailey** in the Mayoral Elections in 2020. We will bring you more information about his policies and what they will mean for London and **YOU** in our next newsletter.

MONEY FOR GALLOWES CORNER

We have been campaigning to get Gallows Corner improved for a long time. We went to Transport for London (TFL), but they would not pay for it—this is further proof that Labour just don't care about outer London areas like Havering and Harold Hill.

Local MP **Julia Lopez** and **London Assembly Member Keith Prince** together with your Conservative Action team Greg, Dominic and Joe listened to local people and went to the Government for funding. We can now say that **Gallows Corner** is one of the first 5 projects in the entire country **eligible under the Government's Major Road Improvement programme**. It is now up to TFL and **Mayor Khan** to put together the formal application and provide the funding needed to get this issue resolved.

The Police budget is set by Labour's Mayor Sadiq Khan and his Greater London Assembly (GLA). While they have money for many political schemes, they chose to cut **£38 million** from the draft Police Budget.

Labour's cuts included the closure of all of the local Police stations with the exception of Elm Park. They also merged our Police with **Barking & Dagenham**.

Your local Conservative teams fought this vigorously. We gathered well over **1300** survey forms, and the **Conservative led Havering Council** launched a legal challenge against **Sadiq Khan's** plans earlier this year.

We can now tell you that the Conservative campaign has saved Hornchurch Police station. Crucially, the Police will have to base a minimum level of staff at the site. **This is very good news for Harold Hill as our local police will not have to cover the gap in Hornchurch.**

We still need to do a lot more to make Harold Hill safe. This is a priority for your **Conservative Action Team**. But as the Police budget is set by the London Mayor and the Greater London Assembly (GLA). **The only way we can get the Police funded properly is to replace Sadiq Khan, with Shaun Bailey.** You can read about how Sadiq wastes your money here (or call us if you want a copy) .

May I start by offering my commiserations to Greg Samuel, Dominic Swan and Joe Webster, they would have made excellent Councillors, but I am glad that they are continuing as your Conservative Action Team for Harold Hill (Gooshays Ward) to represent you.

I was horrified to read of the recent murder of a 15-year old in Romford. This is on the back of a meteoric rise in crime across Havering, not just volume crime such as burglary and moped crime but also violent crime. The blame for this lies fairly and squarely on the shoulders of **Mayor Khan**.

First, he reneged on his promise to keep **32,000** Police officers.

Second, he is interfering with operational policing and compromising the Borough Commander's ability to deploy his officers to maximise their effectiveness.

Add to this his proposal to close local police stations, and sadly, we have a recipe for disaster.

Your career can take off from Stansted - I am working with Stansted airport & Havering Council to make available the 200+ job vacancies arising at Stansted all year round. This is less than an hour's drive away, and they include retail and catering opportunities as well as traditional airport jobs
