## UPDATE ON OUR SCHOOLS, POLICE & NHS PLEDGES

Julia and her Team have been working to deliver on three critical local priorities – more police, a new NHS Health Hub in Hornchurch and extra cash for our schools.

The PM’s police recruitment drive is well underway, with over 70,000 people applying in the first six months of the campaign to recruit police nationally. When your MP, Julia Lopez, spoke to the Havering Police Commander, he said there would be over 150 extra officers for his unit by autumn. New recruits carry out eight weeks of street duties, often in town centres, then six months on local response units and six months on neighbourhood policing duties.

Outline planning permission was granted in June for a new NHS hub in Hornchurch on the former St. George’s Hospital site. We hope to expand these plans, so that local residents get the facilities they need on site. We also relayed concerns about the availability of local Covid testing facilities and have now secured two extra testing sites - on Cherry Tree Lane in Rainham and Dagnam Park Drive, Harold Hill.

Buildings improvement cash has been secured for local schools including Emerson Park Academy and The Champion School. Next year mainstream school funding will increase by 4%, with a further increase of £730m for children with special educational needs and disabilities.

**Please maintain social distancing at 2 metres or 6 feet.**

## MEET THE TEAM: DR NOSHABA KHILJEE

Dr Noshaba Khiljee lives in Emerson Park and is an NHS hospital Consultant. Noshaba is passionate about making Emerson Park’s public services more efficient and has been striving for a cleaner environment for local residents.

Noshaba has also been involved in community volunteering in the area, by initiating donations to Havering’s foodbank, particularly during the lockdown and litter picking with local volunteers.

Throughout the pandemic, Noshaba and her colleagues have worked tirelessly as frontline staff to keep us safe, she would like to dedicate her thanks to her colleagues and all key workers for their hard work throughout the pandemic.

# Keith's Corner

Keith Prince is our London Assembly Member for Havering and Redbridge

It is with regret that I have to report there has been another fatal accident at Gallows Corner. My thoughts and prayers go out to the family and those affected.

The current situation cannot be allowed to continue. We need improvements to improve the flow of traffic and safer crossings for Pedestrians and Cyclists.

Four years ago, I brought Sadiq Khan, the Labour London Mayor to view the site. He said "the status quo is not acceptable", but nothing has changed.

I have again written to his Deputy Mayor for Transport, reminding her of what the Mayor said.

This is nothing to do with politics, it is about Transport for London accepting their responsibility to make Gallows Corner safe.

They need to act, particularly as they now have an extra £50 Million from the Government to find a solution.

I will work with Julia, Matt, Roger and Noshaba to press TfL until we get the safe roads that the residents of Emerson Park Ward deserve.

# Local News

## REMEMBERANCE DAY

This year, your local action team and MP Julia Lopez remembered those in the First and Second World War by attending socially distanced ceremonies at memorials across Hornchurch and Upminster. Lest we forget those who gave their yesterday for our today.

## RingGo Parking App

The new RingGo Parking App will provide a **20% discount on all parking charges** and allow contactless payments by text, phone or on the App.

Roger, Matt and Noshaba would like to remind residents that you can turn off notifications to prevent being charged for reminders. This can be done via the settings on the app and will ensure you are being charged the lowest tariff for your selected stay.

## GREAT BRITISH SEPTEMBER CLEAN

Noshaba and local activist Grant have been busy in September litter picking for the Great British September Clean.

When using public spaces, it is important to keep them tidy, and not to litter. We all have a responsibility to keep our area tidy.

## DON'T FORGET YOUR FLU JAB

This year, the government have widened the availability of the seasonal flu jab. The vaccine programme will be extended to the over 50's and for the first time, Year 7 pupils. The NHS will contact those who are eligible, and the vaccine is the best way to protect yourself from becoming ill with the flu.
