

Keeping Emerson Park Clean

Your local action team partnered up with our Greater London Assembly member **Keith Prince** recently, to litter pick around the Tyle Green Duck Pond in Emerson Park.

As more people have been using the local green spaces, residents have reported seeing more litter around the area.

Keith Prince, your Assembly Member, said “it was great to clean the area and make a difference in the community” and **Dr Noshaba Khiljee** said “as a local resident, I see the impact that litter picking has on the community, and it is really good to be involved and give back to the community”.

If you want to get involved with our local clean ups, or find out more about what your local Assembly Member and action team are up to, visit our website or email office@hornchurchandupminsterconservatives.com.

Keith Prince for Havering and Redbridge

The Mayor of London’s latest scheme is to introduce an **Outer London Tax (Boundary Tax)**. This will make every driver who lives outside the M25 pay £3.50 or £5.50 when they cross the border and drive into Havering.

This means that any of your friends and relatives who live in Essex will have to pay to visit you. Any trades people will have to pay, your grocery shopping delivery may have to pay. Most importantly key workers in our schools and hospitals will have to pay.

Labour’s extra tax will also cripple our local high street and traders who will not get custom from Essex. Labour and Sadiq Khan do not care about Havering.

There is a solution to end this incompetence. Vote for me as your local Assembly Member and **Shaun Bailey** as the next Mayor of London on **May the 6th, 2021**.

Keith's Corner

You will soon get your Council Tax bill and discover that **Sadiq Khan is taking even more of your money.**

Including his latest increase, we will be paying nearly £90 extra per year. To do this during a pandemic, is a slap in the face for every struggling Londoner.

For years, Labour's Sadiq Khan has refused to get a grip on Transport for London's finances.

He has failed to deliver Crossrail costing us billions, and has delayed or cancelled 21 transport upgrades. He protected TfL's extortionate perks and bonuses. 557 people earn more than £100,000 pounds per year, while TfL gold plated pensions cost two-and-half times as much as the private sector. You pay the wages of many of the full time Union officials who threaten strikes.

Locally, there have been years of delay on Gallows Corner.

Altogether, Khan's negligence has cost our city billions of pounds. Far from having no option but to increase your council tax, Khan could:

- Reform TfL pensions saving £100m every year.
- Scrap expensive staff perks saving £44m per year.
- Expand Tube sponsorship raising millions.

Despite promising to keep our city's taxes "as low as possible", Khan has proven to be the most expensive Mayor of London ever. He is charging almost a THIRD more than Boris Johnson - who cut Londoners' tax bill.

Copthorne Gardens Trees

An early Saturday morning call from a resident alerted Cllr Roger Ramsey to local concern at tree felling work then being started on open land in Copthorne Gardens. He immediately informed the council's Chief Executive who arranged for the council officers to attend, carry out checks on Tree Preservation Orders and take appropriate action. This resulted in the work being stopped. Our picture shows the site at that time.

Cllr Ramsey who had been receiving updates spoke to residents later about continuing liaison and the ongoing support we could give. We would like to thank the local residents who contacted us.

A virtual evening with Robert Jenrick MP

On the 8th March, we hosted a virtual evening with Housing Minister Robert Jenrick, hosted by Dr Noshaba Khiljee.
